**NARRATIVE:**

Vasquez, a documented gang member, has an extensive adult criminal history that began at the age of 19. His convictions include multiple cases of domestic violence with injury, evading police, possession of dangerous weapons, possession of controlled substances, resisting arrest, grand theft of person, attempted grand theft, possession of marijuana and failing to report. He has served multiple state prison terms the longest a 4 year term for grand theft of person. Vasquez was released from state prison to the supervision of the Los Angeles County Probation Department on March 26th, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2014 after he absconded from post release community supervision (PRCS). Vasquez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft of person is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
